Students seeking admission to VAS 1025 directly from high school must submit a portfolio of their studio work for Department assessment as part of the University admission process. Students who are accepted and who meet the admission requirements listed above will be admitted to the BFA program without the need of another portfolio review at the end of the VAS 1025 course.

Students applying from high school who have taken a special Grade 12 Studio Practice Program may be eligible to enroll in 1.0 VAS 2000-level course(s) in their first-year of studies in lieu of VAS 1025 with permission from the Department. Students must still take 5.0 first-year courses and are expected to complete that requirement by the end of their second-year.

Students admitted to VAS 1020 may still enter the BFA program provided they meet the admission requirements listed above and submit a portfolio of work for approval toward the end of the second term of the VAS 1020 course.

An average of 70% with no mark less than 60% in VAS courses must be maintained for progression.
